

## Instructions to Fill and Submit the Faculty Application Forms

January, 2016

Welcome to the Instruction manual of the faculty application form. This document is intended to ease the application form filling process. Please follow this step-by-step guide for a hassle free application form filling experience.

This application form has been created based on the Model Recruitment Rules For Faculty Posts In NITS by the MHRD –

[http://www.nits.ac.in/recruitment\\_rules\\_docs/4Tier\\_Faculty\\_Recruitment\\_Jan2014\\_MHRD\\_Recommendation.pdf](http://www.nits.ac.in/recruitment_rules_docs/4Tier_Faculty_Recruitment_Jan2014_MHRD_Recommendation.pdf). .

### Steps involved in the online application process

1. Prepare jpg/jpeg/png scans of your photograph and signature
2. Scan certificates, and all supporting documents as individual PDFs.
3. Create an account and sign into the faculty application portal
4. Start your application – choose your department and post to apply.
5. Fill in the Essential Requirements page, the Main Application form and the publications details.
6. Upload photograph, certificates, supporting documents, etc.
7. View/Edit application form.
8. Submit the form.
9. Generate the application form PDF.
10. Printout the application form PDF, print out all the certificates, supporting documents, papers, and other supporting material.

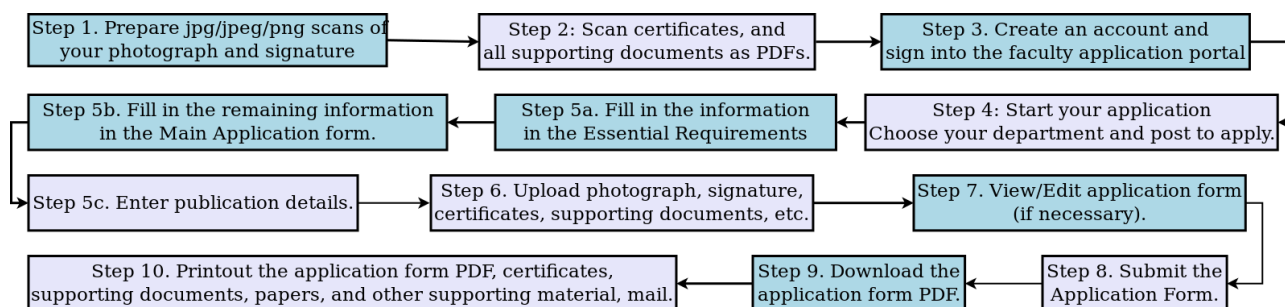

Figure: Flowchart of the steps involved in filling the faculty recruitment application form. Each of these process steps is detailed in the successive pages.

## Steps 1 and 2. Preparing photographs, and scans of documents.

## Step 5a and 5b. Fill in the Essential Requirements page and the Main Application form.

The information required by the application form is divided into two stages:

1. Essential Requirements form
2. Main Application form

The essential requirements for each post are collected first. The rest of the information are collected through the main application form. Both are integrated to make the final application form PDF.

The Essential Requirements form is generated based on the post applied (Professors have different essential requirements compared to Assistant Professors and so on) . These essential requirements are in accordance to those mentioned in the MHRD guidelines - [http://www.nits.ac.in/recruitment\\_rules\\_docs/4Tier\\_Faculty\\_Recruitment\\_Jan2014\\_MHRD\\_Recommendation.pdf](http://www.nits.ac.in/recruitment_rules_docs/4Tier_Faculty_Recruitment_Jan2014_MHRD_Recommendation.pdf).

The following table presents examples and screenshots of the 29 questions to be answered in the application process. Note that a few of these questions will be asked in the ***Essential Requirements*** stage and the rest in the ***Main Application*** stage.

In both of the ***Essential Requirements*** and the ***Main Application*** form, fields may be left blank where not-applicable. However, some fields are mandatory and are marked as such.

**Important Note:** It is tacitly understood that the candidate bears full responsibility towards the factual accuracy of the filled entries. In case misleading and false information is provided, it shall be understood that application will be cancelled. The candidate gives an undertaking to this effect in the application form itself.
